Cavaughn Browne

Aspiring Software Engineer - Seeking Entry Level Opportunities!

cxbrowne1207@gmail.com

Summary

An innovative and hard working programmer with the skills and persistence to get the job done. Equipped with experience in a variety of programming languages and skills: C++, C#, Java, Python, HTML, CSS, PHP, MySQL, and OpenGl.

Throughout my college years, I've done more than seek academic excellence. I've participated in two officially sponsored Association for Computer Machinery (ACM) programming contests as a member of the programming team at Midwestern State Universtiy (MSU), dutifully served as the Senator of the MSU chapter of ACM, and actively contributing to a research project that aims to create a virtual reality applications using the Oculus Rift and Unity 3D at the Midwestern State University.

Academic Achievements

Midwestern State University's 2017 Hardin Scholar Finalist

Midwestern State University's 2017 Outstanding Junior Man Award

Midwestern State University's 2016 Clark Scholar Finalist

Louie Huffman Computer Science Award 2017

Presidents Honor Roll: Fall 2014 - 2017, Spring 2015 – 2017
